**ZIEGLER ADVISES IMPRESSION IMAGING
ON ITS ACQUISITION BY CAPITOL IMAGING SERVICES**

CHICAGO, IL – OCTOBER 23, 2026 – Ziegler, a specialty investment bank, is pleased to announce it served as the exclusive financial advisor to [Impression Imaging](#) on its acquisition by Capitol Imaging Services, a leading operator of imaging centers across the United States. This partnership adds four state of the art centers, and more than 50 team members to Capitol Imaging's national network, further strengthening the organization's presence in the Florida market.

Founded in 2012, Impression Imaging is one of Florida's largest independent oncology-, neurology-, and cardiac-focused imaging providers, specializing in PET/CT, Advanced and Molecular Imaging, and Nuclear Medicine imaging services. Zakiya Fagien, MD, Chief Executive Officer, and Michael Fagien, MD, Chief Medical Officer, founded the Company after identifying a gap in outpatient Advanced and Molecular Imaging, and sought to fill a critical role in the diagnostic imaging ecosystem, providing academic-level imaging for patients in the comfortable and convenient outpatient setting. The group's state-of-the-art facilities and highly skilled team have delivered exceptional patient outcomes while maintaining a strong focus on clinical excellence and patient satisfaction.

Capitol Imaging Services' acquisition of Impression Imaging expands its imaging center footprint across South Florida and provides the opportunity to incorporate Impression Imaging's Advanced and Molecular Imaging expertise across its broader network.

"Selling the company we built was a major decision, and from day one, the Ziegler team operated as an extension of our own, guiding us through a demanding and highly competitive process with real expertise and care. Ziegler brought deep sector knowledge and steady leadership to every stage of a complex process. They understood our business and what mattered to us, and their partnership was

critical to finding the right home for Impression Imaging,” said Zakiya Fagien, CEO, Impression Imaging.

“Impression Imaging is a differentiated outpatient imaging operator with a clear focus on PET/CT and Nuclear Imaging, a specialized and growing area of Advanced Imaging. By delivering academic-level quality in a convenient outpatient setting, the company creates meaningful value for patients, referring physicians, and payors alike. Joining Capitol Imaging Services will enable Impression Imaging to grow within South Florida while extending its Molecular Imaging expertise across Capitol’s broader network,” added [Andrew Colbert](#), Senior Managing Director in Ziegler’s Healthcare Investment Banking Practice and lead banker on this transaction. “It was a privilege to represent Impression Imaging, and we are thrilled with the outcome for the owners and their team.”

Flaster Greenberg PC served as legal counsel to PVG. Alston & Bird assisted for Capitol Imaging Services.
